

COVERED SMILE | FOR DENTAL CLINICS IN ALBERTA

Patients who show up, paid per attended visit.

A practical way to connect with new patients in your community.

- **Patients close to your clinic**

We find and pre-qualify plan-eligible patients in your area. The Canadian Dental Care Plan makes the final eligibility decision.

- **A little help getting there**

We confirm appointment details and send reminders so patients are ready to attend.

- **Pay for attended visits only**

You pay only per attended new patient - nothing up front, nothing for no-shows. Commercial terms are agreed before any referrals.

How it works

1. A patient answers four quick questions about their situation.
2. We match eligible patients with a participating dentist nearby.
3. We confirm the appointment and send reminders by text message.

Let's talk about your clinic.
